

Use this guide to establish if you are eligible to play for a team

Definitions
Relevant Team: The team for which you intend to act as a reserve
Normal Club: If you are a nominated player for only one club, that club is your normal club. If you intend to be nominated for 2 teams in different clubs your normal club should be agreed with the league controller at the start of the season
Higher Team: A team in a higher division is always higher than a team in a lower division. If both teams are in the same division the higher team is that with the highest alphabetical letter (A is higher than B etc.)
